Vinification Vintage 2007 was exceptionally warm and dry. Grapes were harvested up to 4 weeks earlier than normal and yields were far lower than expected. The fruit was crushed to static fermenters and fermented at moderate temperatures for 8 days prior to pressing and draining to French oak for maturation.
Cellaring Will benefit from 5-8 years of careful cellaring.
Winemaker's Comments We are really excited about the quality of the 2007 Estate Shiraz. The wine is dark and brooding yet interesting and complex and over time will flesh out to show more of its intense fruit varieties.
Food Enjoy with full flavoured cheese and quince paste.
Serve Room temperature – 15 to 18°C.
