| VINIFICATION | The fruit for the 2018 Black Label Shiraz was sourced entirely from Block 11 on the Ferngrove vineyard. Our winemaking team visit the vineyard regularly as the fruit nears harvest to ensure we pick at the perfect balance of flavour, sweetness and acidity. The fruit was harvested and gently destemmed to our fermenters. The wine receives regular pump overs and 'rack and returns' to ensure an even temperature and desirable level of colour and tannin extraction. Daily tastings of the ferment ensure the wine develops perfectly. |
| CELLARING | Will benefit from careful cellaring for up to 8 years. |
| WINEMAKERS COMMENTS | Frankland River Shiraz has a strong reputation for quality and its ability to cellar and age gracefully. The Black Label Shiraz is an exceptional wine that highlights the solid 2018 vintage. It's a great example of a cool climate Shiraz with its bright red berry fruit and lifted pepper spice. |
| SERVE | At room temperature 18C. |
| FOOD | Pairs well with local lamb and cheeses. |
