PALATE	Generous, rich and concentrated this wine highlights the wonderful characters of Cabernet Sauvignon grown in Frankland River. The 2017 Majestic has ripe red berry fruit, with a leafy herbal edge following through on the palate with a toasty French oak finish.
VINIFICATION	We taste the fruit several times a week as it nears maturity to ensure it is harvested at the optimal time for flavour. A portion was then hand-picked, delivered to our winery and gently destemmed into our open fermenters. The must was initially 'cold soaked' and then fermented warm. The ferment was regularly pumped over to ensure an even temperature and increase colour and tannin extraction. The wine was gently pressed and filled to a mix of new, 1 and two-year-old French oak barrels. Maturation in oak was for twelve months.
CELLARING	Will benefit from careful cellaring for up to 10 years.
WINEMAKERS COMMENTS	This is a rich and persistent wine that will reward careful cellaring.
SERVE	At room temperature 18C.
FOOD	Enjoy with a range of rich, red meat dishes.
