

FERNGROVE WINE CO

CRAFTED  BY HAND

It all started with us wanting to break away and do something special of our own, something different... like the secession referendum of 1933 that proposed Western Australia withdraw from the Australian Federation.

With our experience and knowledge of Western Australia's wine regions, we wanted to make a range of wines like no other, wines that proudly show the best of the pristine and cool climate Great Southern.

In going our own way, we focused on wines that our friends and family love to drink. We wanted to create something with intriguing flavours and a rich, smooth finish. Crafted by hand and fiercely independent.

2019 PINOT NOIR ROSÉ

[WITH A TOUCH OF DRYNESS]

STATISTICAL INFORMATION

Appellation:	100% Frankland River, Great Southern
Composition:	100% Pinot Noir
Alcohol:	12.5%
Residual Sugar:	0.78g/L
TA:	6.3g/L
pH:	3.18

KEY POINTS

Growing Region:	100% Estate grown fruit from our Frankland River vineyard in the Great Southern.
Vintage 2019 Notes:	Overall, a good vintage for Ferngrove, especially against the seasonal challenges. Luckily enough the dry growing season and exceptional vineyard management provided great conditions for our reds with lovely lifted ripe fruit flavours and elegant tannin structures.
Winemaking Notes:	Selected parcels of estate Pinot Noir were harvested in the cool, early morning and immediately crushed and de-stemmed to press whilst must chilling. The juice was then quickly separated from the skins to minimise colour and phenolic pick up. Minimal fining was undertaken and the juice clarified. A cool fermentation in stainless steel tanks followed to capture the fresh Pinot Noir fruit characters.
Cellaring Notes:	Consume now for optimum freshness.
